## Public Pension Financial Forum

Strategic Planning meeting

Dear P2F2 Members,

The Board will be meeting in late January 2012 to establish a Strategic Plan for P2F2. We need to develop a roadmap to guide us into the future.

The Board is currently developing the meeting agenda and we would like input from P2F2 members.

Our current resources include the Annual Conference, comments on GASB proposals, our Website ([www.P2F2.org](http://www.P2F2.org)), periodic Newsletters and occasional e-mail blasts.

Please respond to the following questions.

- What can P2F2 do to help you?
- What do you expect to get from P2F2?
- What does P2F2 do well?
- How can P2F2 improve?
- Is there another organization or resource that provides more value compared to P2F2 for the dollars spent?

Additional comments and ideas are welcome.

Please e-mail your response to me by January 20, 2012.

Thank you.
