Denver Digest

2023 P2F2 Conference
Embassy Suites Downtown/Convention Center
Denver, Colorado
October 8 - 11

Get Whova

We will be using the same mobile app we used in 2022 at this year's conference. The app allows you to view the brochure and session presentations, access the daily agenda, create a personal schedule, network with fellow attendees, fill out session surveys, share pictures with other attendees, and ask questions during sessions. You can download the Whova app from your favorite app store. The event invitation code is **2u5rwz579y**. Thanks to Scott Steventon and his crew for putting everything together on the app!

New Attendee Orientation

We are thrilled to have 83 first-time attendees this year! If you are attending a P2F2 conference for the first time, or just want to learn more about P2F2 and conference logistics, please stick around the Crystal Ballroom from 5:00 – 5:25 PM on Sunday for a New Member Welcome & Orientation with the P2F2 Board.

What Should I Bring?

- Please bring a copy of your ACFR, your PAFR and/or your budget. We will have a table set up to display them so that others can see how your system handles financial information.
- The dress code is business casual, but feel free to dress comfortably (tennis shoes, jeans, etc.) for the Tuesday evening event since you may do a lot of walking at Mile High Stadium.
- Meeting rooms can be kept on the cool side, so you might want to bring a sweater or light jacket.

Watch your email box for a long email that should arrive about September 28th. It will be full of information you'll want to know before arriving in Denver.

Restaurants

The Denver Broncos have a home game during our conference, and the convention center is hosting an 8,000-member conference while we're in Denver, so we recommend you make dinner reservations now if you want to eat at your favorite restaurant. Downtown will be busy while we're there!

Session Presentations

As we receive the PowerPoint presentations from speakers, we are posting them on our website. To download them, login to our website (p2f2.org) and click on "My Committees" on the sidebar menu and then on "2023 Conference Attendee." Presentations will remain on our website for at least the next 6 months. Preconference presentations are handed out at the session.

You will also be able to view most presentations on the conference app by clicking on "Agenda" and then on each individual session.
